MESSAGE FROM DIRECTOR

Dear Residents:

Welcome to summer!

I would like to take this opportunity to thank the West Genesee School District for their continued support of our department. The relationship that exists between the Town of Camillus and the School District is special and is the envy of other communities throughout the State. Whether it is the reciprocal facility use arrangement, relationships with coaches or simply the moral support provided to one another this relationship truly benefits our community. This is never taken for granted and to our Wildcat Family – "Thank you!"

A common question we have received this year is the status of our Learn to Swim program. Unfortunately, the West Genesee pool is presently being renovated and as a result we will not be able to offer our popular swim lessons this summer. Our hope is that the pool will be completed in the fall and we will once again be able to offer lessons over the winter. I have had the chance to see the renderings of the new pool and I know it will be worth the wait!

Finally, on Saturday, June 29th we will be hosting our annual Fireworks and concert at Veteran's Park at Gillie Lake. This year's event is being sponsored by Sam Rao Florist as well as the Summit Federal Credit Union. The band "The Strangers" will take the stage at 7:30 pm and the fireworks will follow at approximately 9:30 pm. This is truly a community event and I would encourage you to bring a lawn chair and attend this special evening.

Sincerely,
Eric A. Bacon, MS
